Confidential informants of the Chicago Division who are familiar with Communist Party, Progressive Labor Party, Students for a Democratic Society, and New Left activities were contacted during April and May, 1970, at which time they could furnish no information concerning a proposed Chicago YIP office.

Inasmuch as a Chicago YIP office never did open in the office of The Conspiracy, 28 East Jackson, and there is no information that one is tentatively considered to be opened in Chicago, as mentioned in the above pretext inquiry and through informant contacts, no further investigation will be conducted in this matter at this time until additional information is received.

Re New York letter and LHM dated 4/7/70.

Relet reflects that at a meeting of the Underground Press Syndicate on 12/6 and 7/69 it had been announced that a Chicago office of captioned organization would soon open with a temporary address of care of The Conspiracy, 28 East Jackson Boulevard, Chicago, Illinois.

On 4/24/70, it was determined through the use of a pretext of inquiry concerning the location of a local YIP office concerning a guest speaker, that presently there is no office concerning this organization at The Conspiracy or are their plans concerning an office being established at this address. The individual spoken to was an unidentified girl at the office of The Conspiracy who was contacted telephonically at 427-7773, who had also inquired with other members of the staff of Conspiracy concerning a possible local address being contemplated for YIP and no one could furnish any information in this regard. b6 b7C

It is noted that the Chicago office of Conspiracy at 28 East Jackson had terminated 5/1/70. The office of Conspiracy, however, continues to function by occupying space in the office of the Chicago Peace Council. It uses the same phone number that it previously had subscribed to, however, its' staff is limited to one individual who does nothing more than answer the telephone concerning inquiries and accepts funds for the Chicago Defense Fund.
